Student comments:

- Excellent supervisor.
- Delivers what you want from a supervision - always leave feeling comfortable with the questions discussed.
- Great supervisor.
- Great work.
- Great supervisor, good at answering questions and making sure you as an individual understand the answer even if he's explained the same thing 100 times which was really nice.
- Excellent Supervisor- pay him more.
- Great supervisor.
- Very good supervisor who is happy to also give some help over email.
- Best faculty supervisor - he takes care to explain everything and makes sure that no-one is left behind. His supervisions tend to be an hour and a half to an hour and three quarters which enable him to cover all the content thoroughly, I feel that he is v dedicated to the students.
